**AUCTION/LEASE NOTES:**

- Note # 1 - The following parcels in El Paso County shall have an opening minimum bonus bid of \$30.00 per acre: 32 and 33.
- Note # 2 - This is an acquired mineral interest. Title is not warranted.
- Note # 3 - Lease is located in a Colorado Parks and Wildlife (CPW) Sensitive Wildlife Habitat and/or Restricted Surface Occupancy Area and/or contains Colorado Natural Heritage Program (CNHP) critical wildlife habitat. Lessee must comply with Colorado Oil and Gas Conservation Commission (COGCC) rules to minimize adverse impacts to wildlife resources and address CPW and/or CNHP wildlife concerns. Prior to surface occupancy and submittal of the Application for Permit to Drill (APD) to the COGCC, Lessee must consult with the appropriate wildlife habitat expert and consult with and obtain approval from Lessor's District Manager for siting of access, exploration operations, well locations, rig placement and all other facilities. Without excluding other penalties or remedies available under this Lease or as provided by law, Lessor shall impose a fine of up to \$10,000 for any violation of this special stipulation in whole or in part arising directly or indirectly from the use, occupation or control of the Leased Premises by Lessee, Lessee's contractor or operator under this Lease.
- Note # 4 - Prior to surface occupancy and submittal of the Application for Permit to Drill (APD) to the Colorado Oil and Gas Conservation Commission, Lessee must consult with and obtain approval from Lessor's District Manager for siting of access, exploration operations, well locations, rig placement and all other facilities. Without excluding other penalties or remedies available under this Lease or as provided by law, Lessor shall impose a fine of up to \$10,000 for any violation of this special stipulation in whole or in part arising directly or indirectly from the use, occupation or control of the Leased Premises by Lessee, Lessee's contractor or Operator under this Lease.
- Note # 5 - Applicable to that portion of lease under state-owned surface, Lease is located in Sensitive Wildlife Habitat and/or Restricted Surface Occupancy Area according to the CPW and/or CNHP databases. Lessee must comply with Colorado Oil and Gas Conservation Commission rules to minimize adverse impacts to wildlife resources. Prior to surface occupancy and submittal of the Application for Permit to Drill (APD) to the Colorado Oil and Gas Conservation Commission, Lessee must consult with and obtain approval from Lessor's District Manager for siting of access, exploration operations, well locations, rig placement and all other facilities. Without excluding other penalties or remedies available under this Lease or as provided by law, Lessor shall impose a fine of up to \$10,000 for any violation of this special stipulation in whole or in part arising directly or indirectly from the use, occupation or control of the Leased Premises by Lessee, Lessee's contractor or operator under this Lease.
